

# *Garden of Worcestershire*

**We offer a fantastic range of organic, seasonal vegetables grown in Worcestershire.**

In every vegetable pack you will be experiencing the best that the rich soil of Worcestershire has to offer. Our vegetables are grown organically so what you taste is just pure healthy vegetable. No chemicals, no pesticides, just goodness.

**Discover what our rich county has to offer.  
Discover the seasonality and the taste of  
vegetables grown in Worcestershire.**

**Are you fed up with stale, sterile supermarket vegetables?  
Do you want to eat fresh organic, locally grown vegetables?  
Would you like to have them delivered to make your life easier?**

**Want to know more?**
